The one I linked is our own matrix room. It was created shortly after the election. I will add information about that user server.

Did everyone get their account disabled by Discord too? I'm nearly certain it was because of this.

Doesn't matter what they try though, we **will** be in D.C.!

Why Matrix?

1. It's open source. It isn't controlled by a single company that can be pressured by alphabet agencies or foreign countries.
2. It's distributed. There isn't a single point of failure.
3. It's encrypted.

How to join:

1. Visit and make an account <https://app.element.io/#register>
2. When creating your account, choose "advanced" and use the homeserver URL <https://matrix.donaldsarmy.us>

Keep daily backups of the shared files you've worked on.
